# Everything Else That Counts

SUPPLEMENTS · STOPPED MEDICINES · LEARN MORE

## ✦ OVER-THE-COUNTER, VITAMINS, SUPPLEMENTS & HERBAL PRODUCTS

| PRODUCT | REASON TAKEN | DOSE & HOW OFTEN | STARTED | NOTES |
|---------|--------------|------------------|---------|-------|
|         |              |                  |         |       |
|         |              |                  |         |       |
|         |              |                  |         |       |
|         |              |                  |         |       |

## ✦ STOPPED MEDICINES & WHY · side effects, reactions, cost, or it did not work

| MEDICATION | WHY STOPPED | DATE | WHO ADVISED |
|------------|-------------|------|-------------|
|            |             |      |             |
|            |             |      |             |

## ✦ ALLERGIES & REACTIONS · what happens on exposure

| MEDICATION / SUBSTANCE | WHAT HAPPENS ON EXPOSURE |
|------------------------|--------------------------|
|                        |                          |
|                        |                          |

### AHRQ · How to create a My Medicines list

[ahrq.gov/health-literacy/improve/pharmacy/medicine-list.html](https://ahrq.gov/health-literacy/improve/pharmacy/medicine-list.html)

A family coordination aid, not medical advice or a clinical MAR chart. Follow the prescriber's instructions and speak to a doctor or pharmacist before starting, stopping or changing any medicine. Bring these sheets to every appointment.
